

GC-Clone Rack

Grower's Choice is proud to introduce our new all in one commercial clone solution. Offering individually controllable and customizable propagation zones. This fully modular system gives growers the ability to veg their plants all within the same system due to the integrated cloning and vegetative spectrums. Unleash the full potential of your clones.

Features

- Onboard timer and dimmer controller
- Dual Spectrum
- 108-277VAC Input
- IP65
- Modular
